With reference to application dated 29.12.2016 from Shri Ram Kanwar which came to be received on 03.01.2017, the information is hereunder:

There is no question of anybody working in this institute against the post/job of Store Keeper, in the first place, as this institute didn't and still does not have any post by the name of Store Keeper at the relevant period indicated in the application.

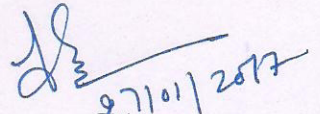

However, like other offices under this institute e.g. training/testing/ accounts etc. , office of store is adequately manned for its day to day working, which, under no circumstances, can be taken to mean somebody working against the post of Store Keeper.

Even though the information sought does not appear to be relevant in view of the position explained supra, as a transparent and people oriented authority, following time lime is given after Shri Devender Kumar, Senior Technician got relieved from this institute on 31.03.2016.
